

Lexy's Home

*Hello my name is Lexy and I was adopted on 8/9/08 by two great parents. My parents have nicknamed me Lex! I went to a home that already has two Shelties, Sampson and Maggie who I love very much, and they love me!! There is also an eleven year old cat name Josie that didn't like me at first, but she is coming around. I love my new home and I have a great screened in porch that has a two level cat perch that I love to sit on. I am glad to be in my new forever home. Love, Lex
Thanks, Rachel [9/6/2008]*
