

Sonny's Home

It's taken a week but my boy seems to be making himself at home. Here are some pictures. He's had 3 names including his given name, Marion. We Started with Alex. Then I was hunting around the apartment for him. I was calling Alex which became Alex=honey, then I stumbled onto SONNY. And it stuck. So ladies and gentlemen, meet Sonny. Sonny not only has attitude he has a rare talent.
